Subject: Checking in on comments on draft report RE: recurring WA NSTEPS monthly check-ins
Date: Thursday, January 18, 2018 10:53:00 AM

Hi Chad and Chad –Re our NSTEPS call scheduled for next week, Mike sent a draft report end of November, and I believe we are awaiting ECY input. Have you had time to look at the draft report, or do you need more time to provide input? Should we retain next week's call or postpone a couple of weeks?

Thanks so much, Rochelle
